Hello,

I am very concerned hearing about the new proposed agenda

The agenda is far too long and overwhelming. There is not enough time to review all of the issues in the document. Many of the proposed by-laws are overreaching, the fines extra-ordinary and the implications of these proposed mandates devastating to the community.

Chickens in only designated properties, if a chicken dies you must kill all chickens and take to a government run site to dispose.

\$50,000 fines

Front yard fence no bigger then 3.5' tall

Won't stop deer!

\$50,000 fine.

Can't live on your land in trailers or RV's

\$50,000 fine

I am also concerned the voices of concerned citizens are not being heard. I strongly object to this 500 page document.
