Found this article on Facebook Cowichan Bay and friends. Does the CVRD not realize the colossal mess this bylaw will cause? As well as huge ill will. The homeless population will expand exponentially, costing our society even more buckets of money. If the CVRD are not with a policeman with a warrant, coming on our property would not go well. My husband has ALS and I need my cousin living here to help out. Sadly can't attend the meeting as I have to care for my husband but I hope you can pass on my sentiments. Thank you for your attention to this matter.

Best, Melodie Blundell
