Dear Directors,

Please get in touch with your constituents to see how we feel about a 4 foot fence limit in CVRD.

I hope that you decide that CVRD should remain in touch with its rural character and NOT put in a 4 foot fence limit in front yards in CVRD.

Rural residents should be free to fence their property in an appropriate manner to address their concerns whether that is Elk, deer, bears, rural security, screening from road noise, privacy concerns etc.

While a 4 foot limit on fencing in the front yard may be appropriate elsewhere it is not appropriate in the CVRD.

Yours truly,
Kara Dawson
