Hi Ben,

I'm writing regarding the proposed community plan for Area H. There is a lot of this that concerns my family and I, as well as our neighbours and impacts our properties use and enjoyment. This meeting on Monday the 30th, will they have it open to the public for input? We live in **RURAL** CVRD and a lot of these proposed changes and the insane fines associated with implementing it drastically changes the "rural" way we have grown accustomed to. We bought in the area we bought in for the flexibility it provided and this jeopardizes this and we would like to make sure we have the opportunity for our opinions to be heard before anything is finalized.

Thank you for your time.

Regards

Jenny
