Good morning Mike,

I am one of your constituents, and voted for you in the last election. I was hoping to see how you are planning on voting for these proposed bylaws. I, along with many others, am very concerned about the unprecedented power this would give the CVRD. It upsets me that they believe they have the power to tell me what I can and cannot do on my own property. We moved away from the city because we wanted more space, and less government in our lives. I hope you see this would be governmental overreach to the nth degree, and vote against these proposals.

Best regards,  
Mitch Mills
