Hello director's

I have to wonder what are you thinking? This new zoning bylaw is ridiculous! Inspectors can access and trespass onto a property anytime?? (They may find themselves arrested for trespassing as well as subjected to huge fines)

\$50,000 fines for offenses?? (Do you want the citizens of this valley to withhold their property taxes until this crap is sorted out and rid of?)

No short term rentals?? (So we DONT want to attract tourists to our area at all?)

Front fences no more than 3.5' tall?? (How are you going to keep deer out and what about privacy?)

And can't live on your land in an RV or trailer?? (People should be able to use their land as they see fit, just as long as they aren't polluting or like dumping etc, but RV living and tiny home living is a RIGHT for land owners)

Who do you think you are? You certainly don't represent the MAJORITY of the people in this valley. And those voting for this WILL feel the pushback full force! Either by being losing their jobs (voted out) or having lawsuits brought against them personally!

Many of us here in the valley are totally shocked and disgusted by this misuse of power!

Do the right thing, and vote against this absolutely unCanadian and evil bylaw,

Thank you for your time.

Dan
