Subject: Bylaw

Mike I had a quick read of this new bylaw today. What a piece of rubbish! Where did you guys find these people? Anyone who votes yes for this legislation should be keel-hauled! (I do have a barnacle encrusted hulk in mind).

Certainly I did not spend some five years chasing Russian nuke subs up and down the Juan de Fuca Strait to put up with this nonsense. This document will be challenged in court and I have a lawyer who is not fond of the CVRD in mind. He has already won a couple of cases against the CVRD.

Secondly the CVRD has no jurisdiction over the Cowichan Valley. There is no treaty that turned these lands over to the "Crown". I stand with my Native cousins on this.

Best Regards
Bill Turner
