Subject: Comprehensive zoning bylaw updates

[You don't often get email from [REDACTED] Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

Im writing as a concerned citizen about the new zoning bylaw update, specifically around food trucks. Cowichan already has a shortage of affordable food options in retail and now you will make it impossible for food trucks to survive as they need more than 8hrs in a 24 hr period to operate. Please this must not be allowed to pass. We need to keep our food trucks . They are important for our local community as well as tourism.

Thank you,
