To whom this may concern,

Hello. I am emailing you regarding the new Comprehensive Zoning Bylaws. My family and I live in Alberta, but travel to Vancouver Island every summer. We stay in Nanaimo but always go out of our way to stop at the Drifters Creamery food truck at least a couple of times during our stay. Learning that the new bylaws could threaten their business breaks our hearts. The new time limits on operation hours and location will seriously impede their survival as a small business. I urge you to consider the negative impacts on small businesses that are staples in your community. They help make Cobble hill and Vancouver Island the special place that it is.

Sincerely,  
Emily Pillott
