You don't often get email from [REDACTED] [Learn why this is important](#)

To whom it may concern, I'm writing to voice my displeasure with the proposed bylaw changes that threaten the viability of food trucks in our community.

Food trucks are an integral part of our community fabric. They support local jobs, they provide a gathering place for the community, they provide a delicious meal to bring tourists in , tourists that spend money in the community.

I implore you to rescind these bylaw changes to food trucks.

From Greg "giggy" Brown
