Hello Everyone,

I am writing to declare our absolute love for Drifters Creamery and plead for no changes to their business.

My whole family of 4 kids and 2 adults and extended family and friends when visiting, LOVE Drifters Creamery food truck.

They have such a great set up at Cobble Hill Rd and Fisher and now in addition outside Thrifty's in Mill Bay.

We were overjoyed when we saw the truck just return today. And we're so excited for April 1st when they're open. It's such a great family night out for an ice cream or a Sunday afternoon. They are always busy and so well loved. They even hire several local young people. What a great first summer job!

I cannot imagine for one second why rules being proposed that would take such a beloved community-focussed business away in the new Community plan. It actually seems very anti community to me.

No the plan is not saying they can't be there at all but it's limiting their hours so that they can't stay in business. They have a whole set up which is an amazing atmosphere just perfect.

I dare you to go try one of their many homemade organic ice cream treats on Apr 1 when they open. You will see the happy crowd gathered to enjoy them and marvel at the deliciousness of their offerings.

This proposed section of plan cannot come to pass.

CZB (Comprehensive Zoning Bylaw) – specifically section 4.14 on Food Trucks.

- The vending of any goods by a food truck shall not be carried out on any one parcel for more than 8 hours per 24-hour period.
- The food truck shall be removed from the vending site at the end of the vending period.

Thank you very much,
Sincerely,
Kathy Lowry
