Dear CVRD reps,

Please reconsider the new zoning rules for food trucks. We love supporting small businesses such as Drifters and they are now a pillar of our community. We do not like hearing they can't operate for more than 8hrs in a 24hr period and that the food truck has to be removed from the vending site at the end of the vending period.

These small businesses need a safe and reliable space to operate. Please reconsider!!

Best,
Jessa
