As a citizen who will be affected by this horrible exhaustive bylaw...from what I have seen so far I am horrified that a group of people can get together to draft something like this without an open discussion for everyone who will be effected by these changes. I will be at the office on Monday and expect to get a copy so I may look over every issue...I would also like you to tell me the timeline for this bylaw ...that appears to look more like Trumps big beautiful bill ...that looks like a dictatorship telling us how we must live
