Hello, I am writing in response to a Facebook post written by a loved small business from Cobble hill, Drifter's Creamery. They are concerned with the new proposed bylaws specifically;

- The vending of any goods by a food truck shall not be carried out on any one parcel for more than 8 hours per 24-hour period.
- The food truck shall be removed from the vending site at the end of the vending period.

As these new bylaws would be harmful to the ability to run their business and would affect their substantial customer base I am pleading these bylaws are not put into effect.

My family likes to see businesses like theirs and others around the cowichan valley and with the general cost of living increasing it is nice have cost effective alternatives such as food trucks to have a summer afternoon snack in the sun.

Changing rules to create additional problems for small businesses that give the cowichan valley part of its charm would be a huge disappointment to me and my family.

Thank you for taking the time to read my plead.

Alicia Allan
