Good afternoon,

It is our opinion that public hearings must be held prior to the first reading of the CZB 4710, as it affects property owners, residents, farmers, small businesses owners and entire communities across the Cowichan Valley.

There are several areas of the CZB that are not in the interests of the residents and will negatively impact many people.

Please put the first reading on hold until public hearings (not just open houses) can be held and amendments made to it.

Respectfully submitted

Berry and Jenny Sintnicolaas
