This is absolute overreach with no accountability to the public. The district residents have a right to be involved in the sweeping changes proposed. The absurdity of some of the changes are criminal.

I will be attending meetings. I will be watching the progress. I will continue to ensure my voice is heard.

The proposed Comprehensive Zoning Bylaw No. 4710. OH MY GOD! Was someone on some stupid drugs when writing this up! Seriously!

AND when is a introduction of fines up to \$50,000 per offence, with daily accumulation, become the benchmark! Such penalties are disproportionate and could devastate ordinary families over relatively minor infractions.
