Dear Mike

My husband and I are very concerned with the new bylaws being proposed. We have lived in the valley since 1987 and our main reason for moving here was to take advantage of the rural lifestyle. The proposed bylaws will certainly have a negative impact on our area and people's ability to make choices about how they use the property they have invested in and pay taxes on. We sincerely hope that you will be to add a voice of reason to the board and support your constituents rights to use their property as they wish to. Please let us know if there is anything we can do to assist you further.

Sincerely

Barbra and Graham Hopkins
