Dear members again,

Reading and hearing further into the comprehensive zoning bylaws there is so much that is wrong here. Please please revisit all these damaging bylaws you have set in motion. To restrict chickens in rural areas for example is crazy!!! People need to eat.

> Please please change the comprehensive zoning bylaws for the betterment of our community and specifically 4.14 in order for local food trucks to operate in semi-permanent locations. To restrict them in the ways that you have outlined hurts local businesses and relationships. Operations like drifters creamery cannot survive without your help.
