Hello Director of Planning / Zoning,

I am sending this email in support of food trucks to have the right to remain on their vending premises, and to be allowed to remain operational for more than 8 hours per 24 hours.

Specifically, I am sending this email in support of Drifter's Creamery, a fan-favourite local spot in Cobble Hill and Mill Bay that has brought much joy, respite and connection to this community. Our little towns wouldn't be the same without these establishments, and as a supporter of local, independent business, I cannot stand by while updates to the CZB, specifically section 4.14, would affect food trucks like Drifter's and threaten their ability to keep operating in a viable manner long-term.

Please take this email as my call to revise these proposed updates, and rescind them.

Yours sincerely,  
Elsie Reford  
Cobble Hill, BC
