Good morning.

I am writing to you concerning the upcoming CVRD land use decision vote.

I wish to express my utmost concern for making this decision too soon, without adequate consultation with those who live in the area being imposed upon.

I live in Area G - Saltair, and feel this decision requires far more conversation before it can be voted on and then imposed on this of us who will be heavily affected by the results of this vote.

I urge you please consider tabling this vote until there can be further discussion and dialogue.

Thank you, for taking the time to actually represent your constituents thoughts.

Corry and Candace Gibson.
Area G - Saltair.
