Hello,

My name is Matthew Van Larken. I live at 895 shawnigan mill bay rd. Im writing to say I am very disappointed to see the changes that this bylaw will bring. I have lived in cowichan Valley for the last 18 years. My family has raised animals for the last 14 yrs and with these purposed changes I would no longer be able to do that. In these finacially stressful times we supplement a lot of our food for our farm from chickens for eggs and meat to pigs for meat we supply a good number of our neighbors with eggs mostly seniors who can not afford to buy alot of fresh eggs. It is absolutely mind blowing that the cvrd could do so much damage to its residents. Also the changes to people living in rv we're already in a housing crisis and now you want to put more people out on the streets. I hope that this change will be reviewed and this need to be voted on by the residents not by an organization that clearly has no idea what our area needs.

Concerned resident,
